Ninth Annual Event.

WELCOME.

The Jewish General Aid Association of Sullivan County bids you all a hearty welcome to this, its **Eighth Annual Masquerade and Civic Ball**.

The Committee in charge of the affair has done its utmost to make this evening a most enjoyable one, and nothing has been overlooked to attain that end. The Committee sincerely hopes and trusts that its efforts and labors will be justified and that a pleasant and long remembered evening will be indulged in by all in attendance.

CONCLUSION

The organization, now in its ninth year, has done invaluable service to the Jewish community of Sullivan County. We have, through friendly and social intercourse, caused good feeling and in general promoted the welfare of our brethren.

PREPAREDNESS!

While everybody is urging Military Preparedness for our country as a result of the European War, a word to the wise regarding Preparedness for the dances should suffice.

At the Masquerade or any Dance, the highest measure of comfort may be attained by wearing Regal Pumps or Shoes.

Just as Major General O'Ryan, in his recent address at the Lyceum, pointed out

Do It Right and Do It Now.

If you cannot come, phone 90-W. We will do the rest.
