INTRODUCTION

"There is no rememberance of them of former times;
neither shall there be any rememberance
of them of latter times..."

Ecclesiastes 1,11.

The words of the Preacher ring true today, for, lost in the dusty shelves of libraries, rest forgotten many Hebrew books whose pages record the names and lives of former and latter day Jewish personalities - alas many unindexed - whose memory, through time, migration and holocaust may be forgotten.

The purpose of this first computerized volume is to make available to scholars, historians and genealogists, a bibliographical index, translated in English, of a number of these books (listed below). Its use will greatly benefit those whose knowledge of Hebrew is limited, for the reference and page number allows one to localize any entry for photocopy and translation.

FORMAT OF BOOK -

SECTION 1 - POLAND AND RUSSIA

ALPHABETIZED BY FIRST NAME, SURNAME AND TOWN
SAMPLE OF RANGE OF DATES BIRTH AND DEATH

The town spellings have been, for the most part, standardized according to "Shtetl Finder Gazetteer" by Chester G.Cohen (Periday Co, 1980).

SECTION 2 - USA, CANADA, S.AMERICA, S.AFRICA, RHODESIA, AUSTRALIA AND ISRAEL

ALPHABETIZED BY FIRST NAME, SURNAME AND TOWN

For New York City, see also Bronx, Brooklyn, Brownsville, Far Rockaway and Williamsburg.

SECTION 3A - GALICIA, AUSTRO-HUNGARY, ENGLAND, EUROPEAN COUNTRIES, TURKEY, IRAQ, ETC

ALPHABETIZED BY FIRST NAME, SURNAME AND TOWN

Due to software damage, this section was terminated before completion and Section 3B started to include the name of the country per entry. Therefore a few entries in this section are repeated in Section 3B.

SECTION 3B - SAME AS SECTION 3A, INCLUDING COUNTRIES ALPHABETIZED

NOTE:

1. Both Galicia (Section 3A & 3B) and Poland (Section 1) should be checked, as some references used do not distinguish between these two countries.
2. Any one personality may be found in any one of the sections, as he could have been e.g. rabbi in Europe and later in the USA, England, etc.
3. Discrepancies in dates for the same person are left mostly unchanged, based on differing references.
4. Every attempt has been made to standardize spellings. The reader need only identify the standard spelling used to trace any entry e.g.

FIRST NAMES :- Moshe not Moses; Chaim not Haim;
Eliyahu not Elijah; Solomon not Shlomo.

SURNAMES :- Levin = Levine, Leven, Lewin
Horowitz = Hurwitz, Gurevitch, Horwitz
Margolis = Margolioth, Margulies
Halperin = Halpern, Heilprin
Yolles = Jolles
Joffe = Yaffe, Jaffe
Shapiro = Shapira, Spira
Gunzburg = Ginsberg, Ginsburg
Braude = Brodie, Brauda
Seidel = Zeidel
