OUR NEW BUILDING — A REALITY

1950 - 1986

DIGNITARIES PRESENT AT LAYING OF CORNERSTONE

At the Cornerstone Ceremonies on April 17, 1950 those present included David Jacobs, Rabbi David Roth, Sam Robinowitz, Jack Heller, Mayor Edwin G. Michaelian and Samuel B. Ratoff.

In 1949, with Samuel Ratoff serving the first year of the longest tenure (four years) in the position of president to date, the sale of the old building was consummated for $45,000, but not vacated until a year later. In Sept. 1949 the new Building Fund Campaign, attended by 150 persons, was launched at the home of Sam Robinowitz. Bennett V. Vickers was selected as the architect and our own member, Maurice Barron, a consulting engineer, was designated as chairman of the Construction Committee, to assist in preparing the plans. The Scarsdale Construction Corp. was contracted for the erection of the new building. The estimated cost of construction was placed at $250,000. With the campaign under way, all members and affiliated groups were asked for contributions for the initial outlay required amounting to $150,000, to cover the cost of the building without furnishings or landscaping. Pledges and donations, and the journal, raffles and other fund-raising projects gradually helped to bring in the sums needed to complete construction. The generosity of members and groups in making cash and material contributions to the new building drive were truly extraordinary and noteworthy.

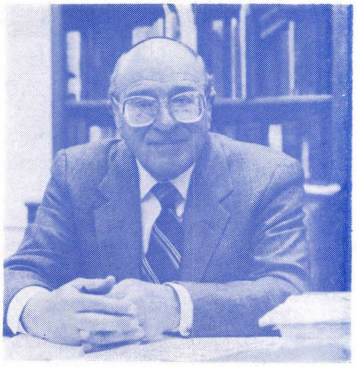

On Nov. 16, 1949 ground was broken at a ceremony attended by Mayor Silas S. Clark and other prominent city officials. The cornerstone was laid on April 17, 1950. The actual cost of completing the building came to $161,620; land value was $35,000, to make a grand total of $196,620 for initial costs — far more than had been originally anticipated, but a modest figure when viewed in retrospect after fifteen additional years of continued growth. In early 1951, as further expenses were incurred, a mortgage of $60,000 at 4% interest was negotiated by Judge Seymour Robinowitz with the Home Savings Bank, payable in ten years.

The dedication ceremonies were held on Sept. 10, 1950 and were attended by 600 persons, among them such well-known personalities as Mayor Edwin G. Michaelian, Arthur W. Evans, D.D., President of the White Plains Ministerial Association, and Frederick G. Schmitt ,Supreme Court Justice. The beginning of the dedication was marked by the cutting of ribbons at the doors by Simon Berlin, Maurice Barron, Fred Klein and Max Lerner. This was followed by a processional with Rabbi Roth, Cantor Newberger, officers and honored guests. Participating in the ceremonies were 35 officers and members of the Institute.

The Holy Ark (Oran Kodesh) was opened by David Jacobs and Morris Projansky. Torah scrolls were removed from the old ark and placed in the new ark by ten other men, together with the crowns of the Torah. The ark was closed by Jacob Shapiro and Joseph Moskowitz.

In his dedication sermon Rabbi Roth expressed himself as follows:

"Words and phrases of the most eloquent are inadequate to describe the sincerity, devotion and spirit of sacrifice of Sam Robinowitz. This great contribution to the promotion of the spiritual welfare of the community will be indelibly inscribed in our hearts, and this synagogue will always stand as a tribute to Sam Robinowitz."

Rabbi's Message

This year we are sharing a expression of *thanks*. Twice Chai years have passed since we moved in o our present edifice.

When I commenced my stewardship, we were in our first year of occupancy. Three and a half decades have now passed for me and my association with the Congregation and this building an its subsequent expansions and changes.

I address this journal with much nos algia and thankfulness. We have all shared much in terms of the needs and vicissitudes of life. The Talmud teaches that we have a Brachs for every need and for this occasion it is worthy of Hillel.

We praise and thank God because it has been good for us over the years.

Rabbi Murray Grauer

President's Message

Greetings and Mazel Tov to the Congregation this this *"Double Chai"* celebration which is in honor of all of you.

As I approach the end of my first year as President of our beloved Hebrew Institute of White Plains, may I express my feeling of honor at the opportunity given me to serve the entire Congregation through this position, after more than a quarter of a century as a member and congregant of our Synagogue.

I have been privileged to see the Hebrew Institute grow during the past year with new, young members who, in time, I am sure, will take their place in serving our Synagogue, and thereby, the Jewish Community at large, thus assuring the progress and life of the Hebrew Institute for many years to come.

Sisterhood Message

We in the Sisterhood join with all the other organizations of the Hebrew Institute in honoring all our congregant on the occasion of the *Double Chai* celebration of our present home.

Whether we were known as the "Mothers' Club" or "The Women's League" or our present name "The Sisterhood", we have always worked toward helping our congregation.

Our many fund-raising activities include "The Back Door", our thrift shop; our annual Israeli Trip raffle; our annual Calendar and our annual final luncheon in June.

We have always taken great pride in the appearance of our Synagogue. Our overseeing of the grounds maintenance, keeping up with the necessary painting and furniture additions or replacements have given us great satisfaction.

We look forward to many more years of supporting our congregation as it grows in size and strength.

A Message

From The Journal Chairman

Thirty-six years . . . *Double Chai* . . . since our congregation began functioning under this roof. Many descendants of our founding fathers, I'm happy to say, are still worshipping here with us, and it gives me great joy to see so many new families joining our congregation.

Having taken a hiatus for a few years from serving as Chairman of the Journal, I couldn't resist the opportunity to participate in helping to celebrate this occasion.

Anyone who has ever participated in assembling and developing a journal can appreciate the amount of work involved. My job as Journal Chairman was made very easy this year by the cooperation and diligence of two extremely hard working women. Roberta Cohen and Dorothy Greenberg not only had their normal days' work, they were most pleasant in handling all of the additional burdens of this journal. To both of them I wish to extend my personal appreciation and also that of the congregation for a job well done.

I would like to thank our faithful advertisers and generous Anonymous contributors.

To Mr. Ralph Friedman, a hearty thank you for putting up with my constant "noodging" to drop whatever he was doing and take the pictures for this Journal.

Journal Chairman
