DIRECTORY OF JEWISH ORGANIZATIONS AND INSTITUTIONS

This directory lists Jewish organizations in all countries, outside of the Soviet sphere of influence, having Jewish communities of 1000 Jews and over, according to the population statistics of the American Jewish Year Book, 1954.

This is a selective listing, emphasizing the representative organizations in each country and those that are national rather than local in scope. Regional and local organizations are sometimes included, however. National and overseas branches or offices of international Jewish organizations, such as of the Zionist movement, the World Jewish Congress, the American Jewish Joint Distribution Committee, the American Jewish Committee, B'nai B'rith and HIAS, are considered as organizations of the country where the branch office is located. The organizations of the United States are listed in some detail owing to the size of the Jewish community. The listing for Israel emphasizes the Zionist, cultural, trade and professional associations and agencies rather than the governmental.

This directory was compiled, in the first instance, from the following published Year Books: The American Jewish Year Book, 1950-1954 (vols. 51-55), Annuaire du Judaisme Nord-Africain, 1953 (Algiers); the European Jewish Year Book: Jewish Life in Europe, 1953-1954 (Frankfurt-am-Main); Guia Anual Israelita de los Paises Latino Americanos (Sexta Edicion), 1951 (Buenos Aires); the Jewish Year Book, 1954 (London), and the Tour Official Guide to Israel, 1950 ed. (Tel Aviv).

The directory was then checked, wherever possible, by competent local observers as well as by American authorities on certain foreign countries. The editors wish to thank Mr. Morris Fine, editor of the American Jewish Year Book, for his assistance in the compilation of this list. They are also grateful to the following persons who checked the first drafts of the list and made invaluable corrections and suggestions: Dr. Henriette Boas, Netherlands; Saadiah Cherniak, United States; Dr. Adolfo Fastlicht, Mexico; Dr. Max Gottschalk, Belgium; Dr. Alfred Hirschberg, Brazil; Abraham Karlikow, France; Barnet Litvinoff, Great Britain; J. M. Rich, Union of South Africa; Dr. Boris Sapir, United States; Dr. M. A. Schwind, United States; and Maximo Yagupsky, Argentina.

LIST OF JEWISH PERIODICALS OF THE WORLD

The following directory of Jewish periodicals, with the exception of those appearing in the United States and Canada, is based on "The Jewish Press of the World" compiled by Josef Fraenkel and published by the Cultural Department of the World Jewish Congress, London, 1954. The directory for the United States and Canada consists of all the national Jewish periodicals listed in the American Jewish Year Book, 1954 (vol. 55).

As will readily be seen, this directory is arranged by countries; the names of the periodicals in each are listed alphabetically, the definite article being omitted. Unless otherwise noted, the language of publication is that of the country.
