30th ANNIVERSARY JOURNAL & YEAR BOOK

1923-1953

THIS ANNUAL JOURNAL IS DEDICATED TO TORAH

Contrary to the customary dedication of a Journal to a prominent individual in whose honor a testimonial dinner is tendered, we dedicate our Annual Journals to the teaching of Torah, its principles and ideals, its commandments and traditions.

While so many have labored for years to elevate to the loftiest levels our beloved institution, their ultimate and cherished goal has been the inculcation of divine thinking through the medum of teachng Torah. Our Yeshivah has striven to enhance these divine principles and will continue to further the high ideals embodied in our Scriptures.

It is our fervent hope and prayer that we will prove worthy of divine guidance in this noble work and that the rich fruits of our collective efforts will be enjoyed not alone by the inspired students and parents of Crown Heights Yeshivah, but by all Israel, the Israel which is so much in need of people who have absorbed and who practice the G-d-given Torah, to impart their knowledge to all Jewry in this, the era of the beginning of Israel's redemption.

And so this Journal is dedicated to Torah.

HAROLD M. JACOBS
President

A MESSAGE FROM OUR PRESIDENT

The outstanding success of our journal this year could not have been achieved without a good team led by an instpring leader. I want to thank our dear friend Oscar Kravitz, the Chairman. He is a real "find" for any institution. His sincerity and genuine Jewishness has been an inspiration for all who have been in contact with him. The genial and smiling co-chairman, Martin Klein, likewise deserves the apprecation of all of us for his loyal devotion to our Yeshivah. The Journal this year is dedicated to the graduates of the Yeshivah. To them I have this message.

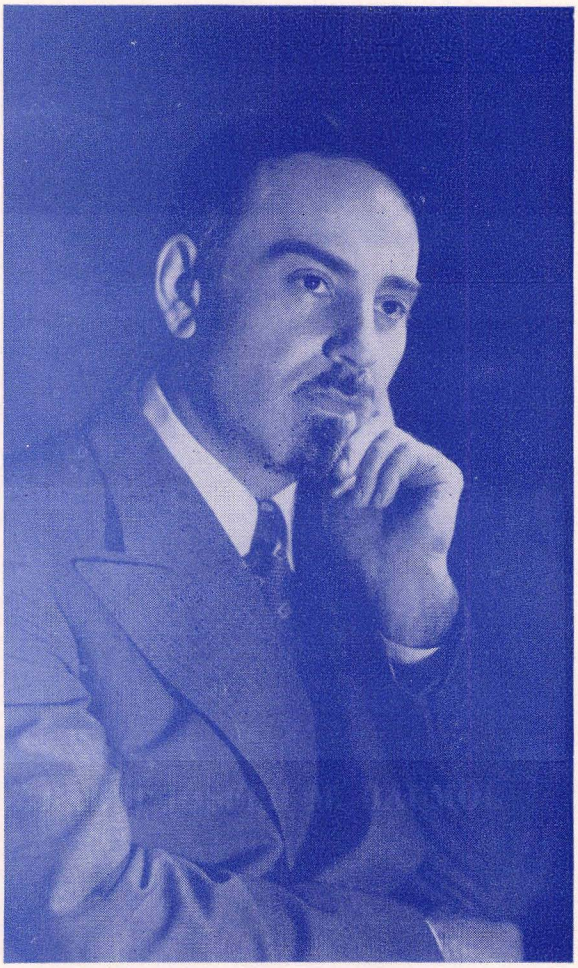

The "Shir Hashirim", the Song of Songs, has throughout our history been a song of hope. The Jew was able to sing this song of hope not alone when fleeing from Egypt, wading through the dangerous waters of the Red Sea, but also when he faced the raging storms of the seas of hate throughout all history. He sang this song of strength and faith before his Torah of Sinai and in the Sanctuaries which accompanied him in all his wanderings. If our graduates are to face with strength, with confidence and trust, the new dangers that threaten the world today they must once again find the inspiration of the song of faith in our Torah and Synagogue, the Ohel Mo-ed of to-day.

This graduation of yours has a deeper significance and purpose. We have taught you boys and girls the laws of Sinai and the love for the sanctuary. You young people will be the leaders in our future Jewish communities. Your eyes have been opened, they have seen clearly how many of our people, particularly the young have been carried away from their religious moorings.

We at the Yeshivah have given you firm roots which have been developed and nourished for 8 years. It is now up to you to cherish, protect and guard these roots of your heritage. You must be living examples throughout your lives of the American Orthodox Jew. Regardless of any scorn, derision or attack on your abiding faith, hold your heads high and be proud that you are traditional Jews and the torchbearers of our people. Success and good luck to all of you.

To our parents, may I offer this thought. Our Torah has never been just a plaything of the mind. The Torah has ever been an Orach Chayim, a way of life, a guide, an impetus and an inspiration for everyday living in consonance with that tradition of the Jewsh soul which has made the Jew what he is. Your children have not been sheltered or cloistered, pondering over theories alone. These boys and girls possess the precious gift of understanding of the times; to know what the times demand and to know what ought to be done and must be done by Jews, to pave a way for themselves in the new life that new times create. Be proud of them and encourage them to continue their future studies. May you have continued nachas from your children.

HAROLD M. JACOBS, President

RABBI JOSEPH M. BAUMOL

MESSAGE FROM OUR RABBI

It is with a deep sense of pride that I pen these lines to express most humbly and joyously my sincerest congratulations to you, the leaders and members of our great community on the occasion of the 30th Anniversary of the Yeshivah.

The past 30 years have witnessed a most impressive advance towards spiritual maturity, communal awareness and cultural development. The rich, high Torah standard which the Yeshivah has established, the classical, traditional spirit which emanates from within its walls and animates the lives and personalities of its students, have won a national reputation. It is today the model for countless schools throughout the nation. The class of people that constitute the leadership of our institution is blessed with vision, imaginaton and a keen sense of responsibilty for the destiny of our heritage in this land. It is for this reason that we have a justified right to celebrate.

Fifty generations of Jewish history look upon us with favor and satisfaction. For we have continued the golden chain, remained loyal to our Torah, devoted to our sacred traditions and unshaken by the threats directed against our people and our beliefs. The hundreds of young men and women who have emerged from this spiritual edifice, equipped with the time hallowed shield-in-armor to face the challenges of life and cope Jewishly and intelligently with its problems — are a living testimony to our blessed and successful efforts.

I trust that in the days ahead we will continue to reflect the same tenacity of purpose, integrity of character and devotion to duty, so that we may resolutely proceed to erect the long dreamed of and anticipated, greater Yeshivah of Crown Heights, which alone will answer the needs that confront us.

May G-d bless you and all your dear ones for all you did in the past and will yet do for the glorious and the resplendent future.

JOSEPH M. BAUMOL, Rabbi

OSCAR KRAVITZ

The Journal Chairman

GREETINGS FROM THE JOURNAL CHAIRMAN

I want to thank the members of the Board of the Yeshivah of Crown Heights for the honor they bestowed upon me to be the Chairman of the Journal for the year 1953.

The work involved and the association with this group has been an experience which I will long cherish. The satisfaction derived from this work reminds me of the story related by the Kobriner Rabbi as follows:

"A general who had been an officer for over fifty years, once met the King. The Monarch greeted him with a smile and said, 'Are you in good health? Does your blood still warm you? The old General replied, 'No your Majesty, my blood does not warm me, but the service to my King, does."

This story explains to me that a service done for a worthy cause like our Yeshivah can give an individual enjoyment and satisfaction. I learned from this experience that although many sacrifices are made attending the various meetings and soliciting advertisements for the Journal that the sacrifice of to-day, was a source of joy to-morrow.

I want to thank my co-chairman, Martin Klein, whose excellent cooperation made my job so much more pleasant and easier. I want to thank Mr. Zahler, the Executive Administrator of the Yeshivah, whose untiring efforts and unceasing work and cooperation made possible the success of the Journal. To mention the names of all the individuals who worked and cooperated in the Journal campaign with me, would be quite a task. Their number is too numerous. Therefore, I want to thank the members of the Board of Trustees, the parents of the children of the Yeshivah and all the friends of Torah who have contributed advertisements and raised funds for the Institution.

May you all be blessed with many happy and healthy years in which to serve our Yeshivah and Torah and may your reward be the "nachas" which you so richly deserve.

GREETINGS FROM THE CHAIRMEN OF THE BOARD OF EDUCATION

It is noteworthy that graduates of our Yeshivah are now found in the rabbinate, the professions and in commerce and industry. We find qualities of character, leadership and initiative in these young people to whom we may look with hopeful confidence for the future of American Jewry.

The attainments of our alumni give us a feeling of deep satisfaction and pride. It is added proof of the standing of our institution as one of the leading schools of its kind in the country.

On behalf of the Board of Education, we wish to acknowledge our gratitude to our Rabbi Joseph M. Baumol, the Dean of our Yeshivah and to Miss Rose Singer, Principal of the English Department and Administrator of the school, for maintaining the excellent rating and high standards of the Yeshivah. Likewise, we desire to extend our appreciation to all members of our faculties for their cooperation and efforts. They, too, are in a large measure responsibilities for the success and progress of the School.

Members, supporters and friends of the Yeshivah of Crown Heights can be justly proud of the opportunities they have made available to the many boys and girls whose educational careers are founded in our Yeshivah, thanks to the generosity and good will of our friends.

MESSAGE FROM OUR SISTERHOOD

It is a most pleasant and heart-warming task to extend my sincerest felicitations to all the noble men and women who have, throughout the years, dedicated themselves in behalf of our beloved Yeshivah and whose friendships it has been my privilege to enjoy.

Yeshivah work is an activity that carries with it many difficulties and moments of anxiety. But at all times, we derive great satisfaction in in the knowledge that we are planting seeds of Torah and culture that would take root in the rich soil of happy and creative living.

If we are to be judged by history, I am sure we will be judged favorably. The women have at all times stood courageously with dignity and and honor at the side of our men to help establish and maintain our Yeshivos and Synagogues. We have worked well, diligently and successfully in the classical tradition of Jewish motherhood.

I take this opportunity to thank my predecessors and present administration for their many kindnesses and cooperation and for having made my relationship with them an inspiring episode in my life . . .

THE P. T. A. SPEAKS

In reviewing the work of an organization such as ours, it seems necessary to measure its growth by the activity it generates and by its acomplishments. Our activities have been manifold as noted in the following report.

P.T.A. has distributed many holiday packages to the Yeshiva and Talmud Torah children this past year. It has assisted financially, the cooking classes, sewing classes and arts and crafts classes. We have arranged for and served kiddush for the Junior Congregation and undertook the complete Oneg Shabbat program this past year. Our parents have also assisted in a large measure in the annual bazzar of the Yeshivah. A fine Cub Scout group, a necessary adjunct to any school, was formed under the guidance of P.T.A. To help the children learn how to use a Hebrew library, we arranged for the services of a competent librarian during the Hebrew morning session. To aid the members of the teaching staffs, we purchased a duplicating machine which was used in preparing lessons. Our "Crown Crier", a monthly bulletin, par excellence, gave us news and views, comments and criticisms and general information for our enjoyment.

To help maintain many of the aformentioned projects, our fund raising functions were as follows; a membership drive, sales table, mid-year social, Spring Luncheon, and last but not least, our Theatre Party.

May I extend my humble thanks to all chairmen, committee members, officers and members of the Executive Board. Working with all of you has been a heart warming experience. However, all of our energy might have been expended in vain, had we not had the complete cooperation encouragement, and interest of Rabbi Baumol, Miss Singer, and the faculty members plus the assistance of the administrative and clerical staffs. To all of you we extend our grateful thanks.

An interested parent group is always a responsive one and, to have attained the heights we did, can only be attributed to our understanding and awareness of our obligations to the Yeshivah. May our efforts in striving for better conditions for our children be crowned with even greater success in the coming year. We hope that the new administration will get continued cooperation and that to-gether our children and we the parents can reap the harvest of our labors, please G-d.

OUR MEN'S CLUB

Havng been invited for the first time to contribute a message to the Annual Journal, we approach this honor with humility and trepidation.

The Men's Club is the youngest affiliate of the Crown Heights Yeshivah in point of existence and as such, after contemplation and reflection, we present a brief but earnest thought, gained from our activities as an organized body in society.

"Participation in the material and spiritual needs of the community is the true expression of G-dliness and the essence of humanity, which surely, in time, can unite us all in true friendship and understanding."

We of the Men's Club have come to understand this and intend to continue with even greater zeal the work which lies ahead. Unlike other affiliated groups of the Yeshivah, our members are not necessarily parents of children of the Institution. Ours is a sense of duty gleaned from personal experience. We have witnessed time and again the great wealth of knowledge and culture inculcated in the minds of the students of our beloved Yeshivah and the gratifying results. That has been the inspiration which led us to the formation of our Men's Club.

The graduates of the Yeshivah are the living witnesses testifying to the combined efforts of the work for the Yeshivah. They are the most effective proof of a job well done. We wish them a future of continued progress in the field of education. May their parents and we of the Yeshivah, continue to gain much nachas from them. May the good members and officers of the Yeshivah and its affiliates be strengthened in their efforts, so that they can continue to work in behalf of Torah and the beautiful traditions of Jewry.

MICHAEL TENZER

ע"ה

Honorary President

The Yeshivah of Crown Heights mournfully records the loss of one of its dearest founders and leaders. Michael Tenzer gave of his strength and energy towards the founding of the Yeshivah and inspired many a man to lend aid to the Institution by setting an example of self-sacrifice and devotion. Together with his beloved wife Rose and his children, Sam, Milton, Herbert, Jeannette, Eva, Estelle and Bertha, he labored through the greatest crisis of the Yeshivah and achieved the satisfaction of seeing a great institution arise from but a small beginning. His gentleness and wisdom will long be cherished by many. His memory will ne'er be forgot. May his soul rest in peace.

תנצב"ה.

In Loving Memory of

SAUL LIEBER

who was a devoted supporter of our Yeshivah Talmud Torah, a model of every quality that was noble and of every characteristic that was fine.
